

Shaving Soap Coffee

**FAIR
SQUARED**

To mark the 30th anniversary of Fairtrade in Germany, we have developed a series of soaps in which the important Fairtrade raw materials coffee, tea, shea and coconut play the main role. These are handmade into solid body, face, shaving and hand soaps and are available in anniversary packs. They are part of the Fairtrade campaign „The talking products“ and behind the QR code is a film about the origin and manufacture of the product. The coffee shaving soap offers a safe, comfortable and smooth shave. It can be used for daily wet shaving and prevents skin impurities.
